Prolongation of the basic award criteria of DE-UZ 38 for „Low-Emission Furniture and Slatted Frames made of Wood and Wood-Based Materials“

Dear Sir or Madam,

During the last meeting, the Environmental Label Jury has decided to prolong the basic award criteria of DE-UZ 38 „Low-Emission Furniture and Slatted Frames made of Wood and Wood-Based Materials“, edition 2013 by a year until 31.12.2023.

Due to this reason we can offer you a prolongation of the contract/contracts concluded with us with the opportunity to use the Blue Angel label until 31.12.2023 on the basis of DE-UZ 38 „Low-Emission Furniture and Slatted Frames made of Wood and Wood-Based Materials“, edition 2013 without a further complete verification being required.

The prolongation of the contract/contracts concluded with you is possible if you declare to us in a legally binding manner on the attached form that you want to continue using the Blue Angel. We kindly ask you to return the attached form to us as soon as possible – preferably by e-mail as PDF file – for the purpose of contract prolongation.

If we do not receive a message from you, please notice once again that a further use of the Environmental Label is forbidden after 31.12.2022.

In case you have any questions, please do not hesitate to contact Mrs Dr. de Boor via e-mail Susanne.deBoor@ral.de.

Kind regards,

Christoph Esser-Ayertey

Dr. Susanne de Boor
